Chicago Ink & Research Co. Purchased Plat Of Village East Of Soo Line Tracks To Build Factory And Move Industry From Mt. Prospect

Bid of \$2,000 Was High of Three Cash Offers; Owner Is Local Citizen

The Chicago Ink and Research Co. was the highest and successful bidder on a plat of the village property east of the Soo Line tracks when bids were opened by the village board in an adjourned meeting Tuesday evening.

The bid offered by Loren D. Saxauer, agent for the Chicago firm was \$2,000, and delivery of the deed will be to William E. Brook as trustee according to the purchaser's instruction.

Unsuccessful bidders were Roy Lakke, Antioch, whose bid was \$1,850, and Frank J. O'Brien, Racine, Wis., whose bid of \$1,500 contained the notation that he wanted the land for a printing and lithograph shop.

The president of the board and the village clerk are instructed to issue a deed to the highest and successful bidder on payment of the balance of the purchase price. A down payment was made with the bid.

The Chicago Ink and Research Co. has specialized in the manufacture of industrial inks since 1947. It is situated at Mount Prospect and will move to Antioch as soon as the building can be constructed this summer on an acre of ground which is situated east of the Soo Line tracks on what will be an extension of Ida ave.

Mer of the Chicago Ink and Research Co. is Cal Doty of Fellers subdivision. The Doty family has had a residence at Lake Catherine for a summer home since 1937 and a year round home since 1947. It is said that the firm is ready to start building as soon as title is obtained for the property. The plant employs seven workmen.

Masonry Not a Club Nor a Church Says Dr. Preston Bradley

"Masonry is not a club, nor is it a church; it does not take a bad man and make a good one out of him, but it does take a good man and help to keep him good," Dr. Preston Bradley told members of the Sequoia lodge at the annual Past Masters banquet Friday night.

Dr. Bradley, pastor of the Peoples church of Chicago, was given a standing ovation of the large Masonic body following his inspiring address on "Is Masonry a Religion?" to the Antioch Masons at the Methodist church.

Bernard Guillaume, worshipful master of the lodge, conducted the evening program, and made the presentations to all the past masters present. Each past master related the outstanding things that happened in his year and quite an interesting history of the lodge was revealed to the present day membership. A special presentation was made to Guy Simmons of Waukegan for his help to the lodge in the past years. Lee Strang was introduced as the only 50 year member of the lodge and Marshall Erickson was also introduced as the district deputy grand master.

Twenty-five year pins were awarded to seven members who have held membership in the lodge for the last 25 years. The awards were made to the following: C. E. Henning, Otto Luedtke, Robert Lee, Fred Oschmann and George Schlosser.

Robert Pincombe and his committee served a delightful chicken dinner which was enjoyed by all.

Teacher of Religion To Address Masons

The regular stated meeting of Sequoia Lodge No. 827 will be held on Tuesday night, May 18, at 8 p. m. at the Masonic temple in Antioch.

The lodge will have an added attraction at the meeting with a speech by R. J. Sarver on the present history of Masonry in China and Japan. The speaker teaches religion at a Chinese university of which he instructs in different religions. He will talk about Masonry in Japan and China and having visited several hundred lodges in the orient he comes well qualified as a guest speaker. This is a rare opportunity for any master mason who will be welcome, according to Bernard Guillaume.

Temperature for May Far Below Normal as Mercury Hits Freezing

Spring weather so far has been cold and rainy in Antioch as well as the whole Middle West.

The temperature dropped to a below freezing point three nights last week, according to Weather Observer Roy Kufalk, and never warmed up beyond the 40's. Precipitation has been mere sprinkles most of the time lately.

Farmers have managed to get much of their oats in, and are now poised ready to start corn planting as soon as the fields are dry enough. Corn planting usually does not begin until May 15.

In the last few days while the sky has been cloudy and the temperatures far below normal, the sun has crept farther north each day and temperatures have been one or two degrees warmer as the result.

A so-called cold front has moved down from Canada into the Middle West and the warm air coming up from the south has only been moist enough to produce sprinkles instead of rains as they meet.

Despite the cold and rainy April and May the total degrees of maximum temperature is still well under normal for the year.

Mrs. Addie Stewart, Formerly of Antioch, Buried at Woodstock

Mrs. Addie Stewart, of Hebron, sister of Ernest Clark and Mrs. Iva Aronson of Antioch, died Monday night at the home of her daughter, Mrs. Olive Readell in Woodstock where she was taken when her condition became critical.

Mrs. Stewart was born Addie Clark, July 13, 1882 in Antioch, the daughter of George and Clarissa Clark, and was 71 years old at death. Eldest of six children, she at the age of 18 went to McHenry county to take employment. At that time the Clarks lived on Channel lake road.

She first married Ned Hesselgrave. After his death she married Norman Stewart. Surviving besides the husband are three daughters, Mrs. Readell, Mrs. Maude Carey, and Mrs. Addie Smith, all of Woodstock, and a son, Reuben Hesselgrave, of Woodstock.

Besides the brother and sister in Antioch, three sisters, Mrs. Eva Harrison and Mrs. Cora Todd of Portland, Ore.; and Mrs. Jennie Sandborn of Chicago also survive.

There are 17 grandchildren, 37 great-grandchildren, and 14 great great-grandchildren.

The funeral service was held at 3 p. m. today at the Grace Lutheran church in Woodstock.

Sports Car Racing at Wilmot Hills Course To Start on May 23

The Sports Car Club of America will open its racing season at the Wilmot Hills course Sunday, May 23.

More than 70 outstanding drivers have sent entries for this race which is scheduled to start at 1 p. m. (DST). The gates will be open at 10 a. m.

Drivers vying for top honors will be Andy Rosenberger in his Le Mans Nash Healy, Dave Uhlein in his new car which was built by Carl and Tudy Marchese last year. Brooks Stevens' Excalibur, driven by Jim Feld of Milwaukee, and Hal Ulrich of Chicago, will again try to duplicate their victories on the Wilmot road. Fred Wacker of Chicago also will be in the lineup.

The spectators can park their car on a hill and view the complete course 200 feet below them.

ANTIOCH HOST TO N. W. CONF. STUDENT COUNCIL

Antioch Township High school will be host to the Association of Student Councils of the Northwest Conference this afternoon. There will be eight conference schools participating with 170 student representatives and their faculty sponsors. They will hold a political rally for the purpose of electing the officers for next year for the association. The Officers to be elected today are president, vice president, secretary and treasurer.

Dance Friday Night Sponsored by Scouts And Antioch Wigwam

The Wigwam and the Antioch Boy Scouts have planned a big night for those who like to dance. They have secured King Jaros and his radio orchestra now playing in Chicago for tomorrow (Friday) evening at the Antioch Township High School gymnasium which the entire community is invited to attend.

Tickets are on sale from members and also at the door.

This is expected to be the first of many good dances for the community if there is proper response.

Great Lakes Center to Have Open House on Armed Forces Day

By Proclamation of President Dwight D. Eisenhower, Saturday, May 15, has been designated as Armed Forces Day. Army, Air Force, Marine and Navy installations throughout the United States will open their gates to the general public to see the latest defense weapons and equipment in use by the Armed Forces.

In accordance with this nationwide observance of "Power for Peace," the U. S. Naval Training Center at Great Lakes, Ill., extends an invitation to its open house Saturday, from 8:30 a. m. to 5:00 p. m., and Sunday from 8:30 to 4:00.

There will be a main exhibition hall for projects supplied by the various commands and activities at the Naval Training Center. The displays will feature Navy life, military weapons, electronics equipment and phases of Navy recruit training.

Included in the events Saturday will be a military parade at 10:00 a. m. on Great Lakes' Ross Field at which Rear Admiral Richard P. Glass, Commandant, Ninth Naval District, will be the guest of honor. Immediately following the parade, the Electronics Technicians School Drill Team will put on a marching demonstration. Motion pictures of the Armed Forces are scheduled early in the afternoon, and a Navy ship, docked at the Great Lakes waterfront, will be open for inspection tours. Fire fighting demonstrations at the Fire Fighting school are also scheduled for the afternoon.

On Sunday the public is invited to attend Navy Chapel services for Protestant, Episcopal, Christian Science, Jewish, and Roman Catholic faiths. Exhibitions will again be on display, and the escort vessel will also be open for tours.

Cancer Fund Drive in Antioch Exceeds Goal Chairman Dupre Finds

The Cancer fund drive in Antioch exceeded the goal of \$650 Mrs. John Dupre, chairman announced yesterday.

"The fund has reached \$674.59 and as donations are still coming in, I believe it will exceed \$700," Mrs. Dupre said.

The biggest aid to the fund was the Tag Day conducted last weekend by the Boy Scouts, the chairman said. The amount received on that day was \$159.67.

Antioch has always reached or exceeded its quota, but this year Mrs. Dupre was rather anxious because she managed the campaign alone in her first attempt.

"Having seen cancer in the past in my work as a nurse, I know what it does, and I am anxious to do what I can to prevent it and develop a cure," she commented and observed that other who had given to the cause are of the same mind.

Concert Was a Success

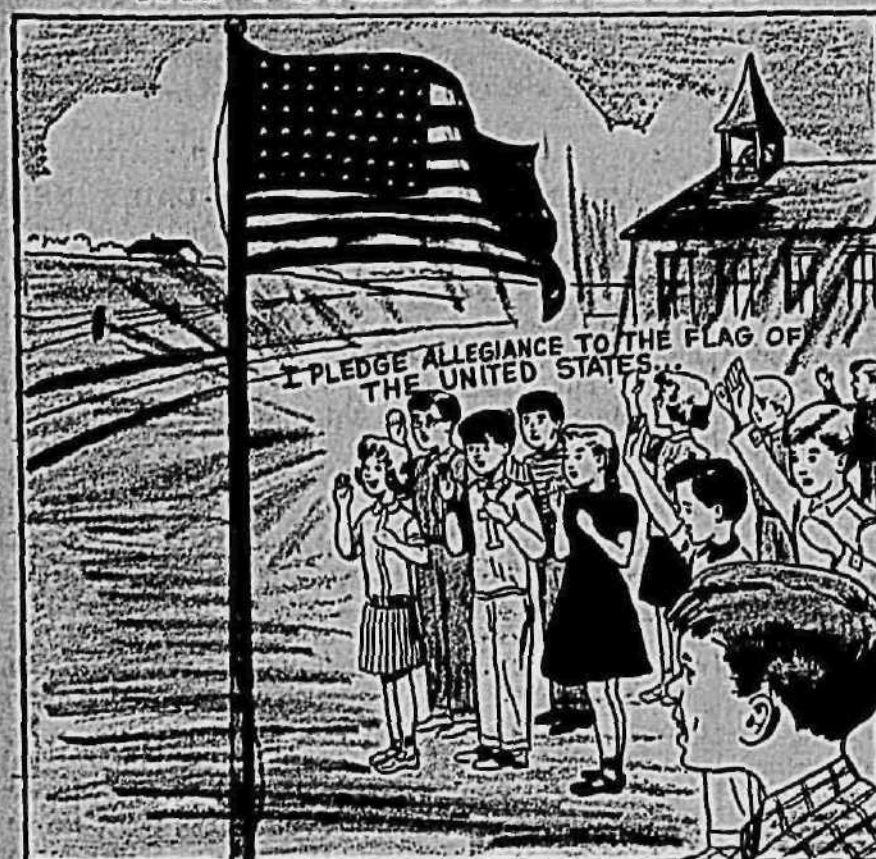

A large crowd attended the concert given by the Methodist Men's Glee club of Kenosha at the Antioch Township High school last Thursday evening and as a result the sponsors, the Women's Society of Christian Service, has a profit of more than \$400.

The soloists, Edith Nohling, soprano; Chester Kirk, and Bob Gould, tenors; and Kenneth Unwin, bass, pleased the audience greatly. The club was directed by Lewis C. Horton.

New Bait Shop Opened

Ed Sorenson now has his new Bait shop in operation at Naber's Corners on Rte. 59 where Kelley's tavern formerly was located. The tavern now occupies a new building a half block west on Rte. 173. The bait shop is the only one of its kind in Antioch.

THE VOICE OF AMERICA

Wilmot High Concert Friday Evening Will Feature Five Numbers

The Wilmot High School music department will give its annual Spring concert at 8:15 p. m. tomorrow (Friday) at the school.

Groups participating are the girls' chorus, boys' chorus, mixed chorus, and the concert band.

Featured on the program will be a trumpet trio, playing La Cucaracha; vocal solos by Arlyn Kerkman, Leona Hansen, Carol Hockney; and a trumpet solo by Ronald Nicotera.

The concert will be directed by Henry Canitz, a graduate of Wisconsin State College in Milwaukee, and who is presently working on his master's degree at Vander Cook College in Chicago.

Antioch Cafe Robbed of \$600 During Week

The Antioch Cafe, Main street, Antioch, apparently burglarized two different times during this week, lost \$600. Mr. Gust Mantis, co-owner of the cafe, had returned from a two week vacation on Saturday, May 8, and had not had occasion to open the safe until Sunday, when the loss of \$500 in cash was noted. A second theft was discovered this (Thursday) morning, when Nick Kantos discovered that \$100, left in the cash register Wednesday night for change was missing.

It is not known how the thieves gained entry to the building for the first burglary, nor how they obtained the money from the locked safe, but entry was gained Wednesday night through a window in the front of the building. Mantis said that other papers were not disturbed, and only the money was missing.

Mantis told newsmen today that this is the first case of burglary the business has suffered since its opening twenty-two years ago.

High School Principals Meet, Dine, See Show in Chicago on Tuesday

Principals and assistant principals and their wives of the Northwest High School conference met at Henrici's on Randolph st. in Chicago Tuesday evening for a short business meeting and dinner, and afterward saw the play "Time Out for Ginger," at the Harris theatre.

In the business session plans were made for the final conference track meets, the varsity meet to be held at Palatine on May 26, and the sophomore-fresh meet at Palatine held last evening.

Dr. Norman Watson of Glenbrook retired as president and Principal Albert Dittman took over as the new president of the conference principals' organization.

Twenty-six persons attended the meeting and all schools in the conference were represented except Palatine.

Large Crowd Sees 4-H Show

A crowd of about 200, the largest that the new Trevor school has ever accommodated, saw the Family Album put on by the Trevor 4-H Club, the Trevor Eager Beavers, last week. The tableau was such a success that the club is thinking of putting it on again soon for those who missed seeing it. Appreciation was expressed by the club for the directing done by Mrs. Florence Dexter and to Gene Wire, Ben Kunz, and Russell Longman for their music.

Mr. and Mrs. Arthur Bock and Mrs. B. R. Burke are spending this week at Rochester, Minn.

Verke Shuts Out Ela Here 6-0 on 3 Hits; Sequoits Nip Bulldogs

| Conference Standings | | | |
|----------------------|-----|------|------|
| Team | Won | Lost | Pct |
| Grayslake | 8 | 2 | .760 |
| Antioch | 7 | 3 | .700 |
| Glenbrook | 5 | 3 | .625 |
| Grant | 4 | 4 | .571 |
| Palatine | 4 | 4 | .500 |
| Ela-Vernon | 2 | 4 | .333 |
| Wauconda | 2 | 6 | .250 |
| Bensenville | 1 | 6 | .143 |

Mark Verke, Antioch High's outstanding mound artist, pitched his second shut-out within a week against Ela-Vernon here Tuesday evening and the Sequoits took advantage of errors to score three runs in the third inning after Hosteller doubled, and three more in the seventh.

The Bears got but three hits off Verke, while the Sequoits took advantage of errors to score three runs in the third inning after Hosteller doubled, and three more in the seventh.

In the seventh inning Warren Brownlee singled, Verke and Mike Haviland walked, filling the bases. Vos's grounder was fired to the plate too late to keep Brownlee from scoring. The next player struck out and then Jack Lawrence, Antioch catcher, laced a single to right center that scored Verke and Haviland. Verke now has pitched 16 scoreless innings.

The victory placed Antioch as a contender for the Northwest Conference leadership.

The Sequoits defeated Wauconda Friday 10 to 9 on the Antioch field. Wauconda served as the home team in this instance because of no home diamond on which Antioch could play a return game.

The Wauconda Bulldogs scored four runs in the seventh inning and had the tying run in scoring position when Warren Brownlee snared Chuck Meagher's liner to third to end the game as the Sequoits recorded their fifth league win in eight attempts and their second over Bud Holz's crew. Featured in the belated thrust by the visiting Bulldogs were hits by Dennis Panches, Tom Nolan, Bill Thomas and Danny Gorman, with two runs each.

This game was halted by rain for 40 minutes in the fourth inning and before play was resumed the Wauconda nine was enjoying a 5-4 advantage. Before the inning was finally over, however, the Sequoits forged ahead with two markers and then built up their lead with two more in the fifth and single markers in the sixth and seventh, which proved just enough for victory.

Roy Ballwanz was the top hitter for the winners with three singles, while Mark Verke collected a double and a single. Incidentally, Mark has garnered seven two baggers in nine games this spring. Featured on the attack for the Wauconda nine were two hits each by Gene Jaskot and Bill Thomas.

Antioch will play Bensenville tomorrow at Bensenville.

Antioch Band, Hewitt Give Fine Program at High School Tuesday

An estimated 200 persons attended the concert given Tuesday evening by the new Antioch Community band at the high school auditorium.

The band gave an excellent concert and this topped with eight selections by Dolph Hewitt, WLS radio star, gave the people a fine evening of entertainment.

Hewitt played his guitar and sang popular music.

The music of the band ranged from the popular to the classical. W. J. Murphy, Republican candidate for state representative, served as master of ceremonies. Bill, a resident of near Antioch, introduced a little novelty into the program when he gave his small son, John J. Murphy the baton and had him direct one of the selections of the band. He took several bows as the result.

The band will make its first open air appearance on Memorial Day when it will give a concert in the village park.

Louis Chenette, who teaches the band as an adult class at the high school, is its director.

Play in State Contest

Two Antioch Grade school band members played at the Illinois State solo contest at Bloomington, Ill., on May 7.

Sonya Pickus won second place playing the French horn and Byron Cain playing a cornet solo, placed third. Both soloists are first chair players in the grade school band.

Tulip Time at Hughes

It is tulip time again at the Hughes tulip farm on the Loon Lake-Millburn blacktop road. The display is starting this week and will continue through the rest of the month. Visitors are welcome at all times.

Always Write on Time!

With a bride's first, prompt thank-you note, she takes on a new job—chief executive of family correspondence. "This doesn't mean she writes her husband's letters as well as her own—but she might keep him supplied with appropriate stationery. There are papers styled especially for men such as "Private Stock" from Eaton, as crisp to the touch as new money! It's up to the bride, too, to keep the family desk well supplied with house papers, for formal and general use, as well as personal papers. Open stock is ideal for this purpose—no "orphan" envelopes or sheets left without mates.

Writing frequently to new relatives and answering letters promptly is one of the best ways to assure "good relations." Older people sometimes have views on "correctness" and for them, a formal paper is a good choice. But to younger members of the family, one of Eaton's sparkling "fashion" papers, with a delicate floral motif, will carry a warm friendly mood. Writing letters can be so easy and enjoyable if the bride keeps her stationery wardrobe well equipped with various types of papers, and attractive styles can serve as wonderful reminders to write often and on time!

CASE OF THE CRACKED SEED Solution Found To Baby's Orange Juice Allergy

FOUR MILLION MOTHERS-TO-BE (in the next 12 months) take note:—orange juice, justly famed for its benefits to new-borns, contains the "seeds" of danger as well! Statistics show that this essential part of every infant's diet may, in one out of two cases, lead to stomach upsets, vexing rashes, loss of appetite, and even allergies.

Since orange juice is extremely rich in Vitamin C and has long been recognized as second only to milk in importance in baby's diet, science has trained its research sights on the answers to these problems.

It has been known for some time that peel oil left in the juice could cause such disturbances. So the Bib Corporation of Lakeland, Florida, processors of the first orange juice specifically for babies, began to filter out the harmful oil. Yet mysteriously the allergies continued. The mystery became a full-

fledged one about a year ago when one of the workers in the Bib plant broke out in a rash resembling that suffered by babies allergic to the juice.

Researchers for Bib traced the trouble to the cracked orange seeds in the pulp and more specifically to a particular protein in the seed. To "crack" the case of the cracked seeds, these medical sleuths worked out a way of preventing all contact between seed and juice. Subsequent test studies reported in the authoritative ANNALS OF ALLERGY by Dr. Bret Ratner, allergist at the New York Medical College, revealed that Bib had succeeded in developing a process that safeguarded against both juice allergy and upset stomach. "This juice sold all over the country under the trade name Bib has been accepted for infant feeding by the American Medical Association Council on foods and nutrition.

Easy Cure For Ailing Gardens

A single weapon against two of the most troublesome problems of home lawn and garden owners—weeds and impoverished soil—is now available for the first time in retail stores. It is a unique chemical, calcium cyanamid, a non-protein organic fertilizer which when first applied to the soil kills weed seeds, then undergoes a rapid chemical change and becomes a highly effective fertilizer, supplying soil-sweetening lime and plant-feeding nitrogen during the entire growing season. Thus grass planted after this chemical change can grow in a well-fertilized soil without competition from weeds.

Lawn and Garden Cyanamid, its trade-name, has four important uses—building soil humus, repairing old weedy lawns, making new, practically weed-free lawns, and making compost.

To change crop refuse quickly into soil humus—the closest thing to a "free-all" for ailing gardens—and at the same time provide a season-long supply of plant-feeding nitrogen, the Cyanamid is spaded into the soil with leaves, or flower and vegetable stubble to a 5 to 8 inch depth a week or more before planting or seeding. Then, seeds can be planted or plants set in the humus-rich, loamy soil.

To transform a worn out lawn into a growth of healthy grass, all that is necessary is to mow closely, then soak with water, rake, scatter the Cyanamid, then rake again. During the next few weeks the lawn should be kept moist. Usual seeding methods may be followed.

To build an entirely new, practically weed-free lawn, thick with healthy, dark green grass, the soil should be turned, regular fertilizer applied as locally recommended, the soil pulverized and smoothed by rake, then Cyanamid is spread and raked in lightly. For three weeks the Cyanamid will kill weed seeds and sprouting weeds, then change into a plant food. Without disturbing the soil more, than to break surface crusts for good seed contact with soil, the lawn is seeded in the usual manner.

To produce an odorless organic compost (artificial manure), a 4 to 5 inch layer is made of leaves, grass clippings, weeds or any other non-woody refuse, sprinkled with Cyanamid and a small quantity of soil, then packed down and watered. This is repeated to produce several layers. After five or six weeks, it is forked over and watered. Lawn and Garden Cyanamid will be marketed by garden supply stores throughout the nation.

Heart Patients Can Now Drink Ample Fresh Milk

LOS ANGELES—Low sodium fresh milk is being produced by a new process for heart patients. The process makes it possible for heart disease sufferers and others on low-sodium restrictions to still get the value of drinking fresh milk daily.

Developed by a Glendale (Calif.) chemist, Dr. A. L. Chaney, with the assistance of the Los Angeles County Heart Association, the new milk is available at present only in the Los Angeles area, where it is delivered to hospitals and homes upon a doctor's prescription. Under licensing arrangements now being made with major milk companies elsewhere, it is expected that production will begin soon to supply other metropolitan areas.

Ordinary milk is high in sodium content, the same detrimental factor that rules table salt out of the diet prescribed by physicians for many patients with certain types of heart disease and high blood pressure. Yet the food values of milk are important to proper nutrition. Up to now people on a low sodium diet have had to rely upon powdered milk products which must be reconstituted with water to produce a fluid milk. Dr. Chaney's process removes 90 per cent of the original sodium content but does not otherwise alter the milk. The final product is a fluid indistinguishable in taste from ordinary fresh milk, costing approximately 40 per cent less than most powdered low sodium milks.

Old London Bridge Had Many Trials

LONDON—A famous nursery song was echoed here recently when a 7,700-ton freighter was flung by the tide against the arches of the historic London Bridge.

London Bridge didn't fall, although road traffic was suspended and shipping lanes jammed until a covey of tugboats freed the heavily-laden freighter.

The incident brought memories of some of the "bad times" seen by the old bridge. One, the description of a fantastic scene that took place in the 13th century, when "a monster of prodigious size," (a whale) slipped through the bridge supports, only to be killed by the bows and slings of sailors who caught the creature upstream.

In 1633, fire destroyed a third of the bridge buildings. The Great Fire of 1666 spread to the bridge. As early as 1281 five of the bridge's arches gave way to ice packs. Buildings lined the bridge until a law banished them in the mid 1700's.

Between piers, the rushing water formed eddies and whirlpools, so dangerous there was a saying that "wise men went over the bridge, fools under it."

The "new" bridge was opened in 1831, 50 yards upstream.

Flagpole Painter's Life Is Enjoyable

WASHINGTON—Flagpole sitting is a hobby with some, but flagpole painting is an occupation for Lemuel C. Buckingham, Jr., one of a two-man team in the Nation's Capital that paints the flagpoles on government buildings.

Buckingham has been on the job for the last four years and says he greatly prefers it to working indoors. He likes fresh air, likes to see people and enjoys getting around to different parts of town, he says.

He has plenty of opportunity to see the city for the Government owns some 500 flagpoles and has each one painted on an average of once every three years. Buckingham and his partner work in bosun's chairs attached to a rope that is tied with a single half-hitch, in such a way that it provides a double strand around the pole and a pair of stirrups under the feet.

Building Jet Planes Is Ticklish Task

NEW YORK—It takes 18,000 blueprints to build a single medium jet bomber.

In one plant, 40 copies of each blueprint are required to keep production rolling—a total of 720,000 prints which must be kept up to date and accurate at all times.

The tremendous scope of this job is indicated by the fact that, in a period of rapid technological changes such as that of the present, there are an average of 200 changes per day on a single set of prints.

Out of Season

LOUISVILLE—Three midnight duck hunters drew fines recently for shooting within the city limits. Patrolmen said the men were shooting at ducks in the Ohio River at the foot of Sixth Street.

A .22 calibre rifle was confiscated by police, who reported there were no casualties among the ducks.

ANTIOCH, ILLINOIS

Miss Quinn Chosen Worthy Advisor of Rainbow Girls

RAINBOW GIRLS ELECT NEW OFFICERS

Miss Nancy Quinn was chosen Worthy Advisor at a regular meeting of the Antioch Assembly, Order of Rainbow for Girls, held Monday evening at the Masonic Temple. Other officers elected were: Nancy Swenson, associate worthy advisor; Sharon Weber, charity; Kay Anderson, hope; Donna Reidel, faith. Installation services will be held May 22 at 8 o'clock p. m. Following the election Miss Janet Beelow was initiated into the order. In honor of Mothers Day, the girls gave their mother advisor, Mrs. L. Heath, a shower of handkerchiefs. Mrs. Sadie Keeney and Mrs. Robert Pincombe had charge of refreshments.

Junior Prom Theme "Long Remembered" Becomes a Reality

The Junior prom—"A Night to Remember"—will indeed be remembered as one of the most successful dances Antioch Township High School has ever held.

Seventy couples from the student body, faculty members, and a few members of the board of education danced to the music of Dick Carlton's band. Two hundred spectators, most of them parents of the students, were present.

The high point of the evening was the crowning of the king and queen. The members of the queen's court and their escorts appeared first, shown in silhouette on a screen from which they emerged and danced across the floor to the front of the band shell where the throne was placed.

Members of the court and their escorts were Mitz Wolf and Mike Haviland, Barbara Smith and Ed Haling, Joanne Quilty and Fred Clark, Garnet Seyfarth and Benny Floyd. There was a fanfare after each couple.

After the court came the queen, Marilyn Furlan and her escort, Warren Brownlee.

Miss Furlan was met at the center of the room by Tom McGreal who presented her a bouquet of flowers and escorted her to the throne where he placed the crown on her head.

Anne Schwicht, last year's queen, was escorted to the throne by Brownlee, who was crowned as king by her.

The band shell, bridge and other appointments were decorated in dark and light blues with pink flowers.

W. S. C. S. TO HOLD MEETING WEDNESDAY

A regular meeting of the Women's Society of Christian Service of the Methodist church will be held at 1:30 Wednesday, May 19, at Wesley hall. Mrs. W. C. Petty will give a book review and Mrs. Clara Westlake will lead the devotions. Mrs. D. H. Noddin and her committee will have charge of refreshments.

LAKESIDE REBEKAH LODGE TO HOLD MOTHER-DAUGHTER PARTY WEDNESDAY

Members of Lakeside Rebekah lodge will hold a Mother-daughter party at the Odd Fellows hall next Wednesday. Mothers are requested to bring a gift for their daughter.

Mr. and Mrs. John J. Bell of Channel Lake returned home recently after spending the past six months in Naples, Fla., where they just finished building a new summer home.

Mr. and Mrs. Duane Baldwin of Hampshire, Ill., were Sunday callers at the home of Mrs. Frank Runyard at her Channel Lake home.

Mr. and Mrs. Earl Pitman arrived home last week after spending the past six months at Riviera Beach, Fla.

Twenty-seven eighth grade students of Grayslake school, with their teacher, Mrs. Golden, spent Friday evening at the Rollin Wheels Roller rink at Twin Lakes. Mrs. Hart, Mrs. Myers and Mrs. Mazucca accompanied them.

Henry Stott of Tucson, Ariz., spent several days with friends and relatives in Antioch on his way to Michigan, where he is erecting a building.

The Warren Edwards family and the Robert Edwards family were Sunday guests at the home of Mrs. May Lucas at Lake Villa. Mrs. Lucas was celebrating her 70th birthday anniversary.

Mrs. William Gerber and little daughter, "Janice" came home from the hospital Sunday.

Classes Take Trips

The two first grades of the Antioch Public school with their teachers, Mrs. Robert Wilton and Miss Laura Pedley went to the Hawthorne Melody Farm yesterday afternoon and watched the operation of the milking parlor and saw the zoo.

The second grade class of Mrs. Lucille Whitacre went to the Brookfield zoo Tuesday.

Exhibition of Stamps At Waukegan to Draw Collectors from Antioch

The 17th annual stamp exhibition, presented by the Lake County Philatelic Society, will be at the Gas Hospitality House, 210 Madison street in Waukegan, on May 14-15-16, and Antioch collectors are expected to attend.

The exhibition will be opened on Friday from 7 to 10 p. m., Saturday from 9 a. m. to 10 p. m., and Sunday from 1 p. m. to 10 p. m. Stamps from the United States, foreign, topicals, covers, unclassified, junior, Veterans from Downey Hospital and open classes will be presented.

The Porett Trophy, donated by the Porett Brothers will be awarded as the grand award of the exhibition and the ATA Trophy donated by the Lake County Chapter No. 9 of the American Topical Association will be awarded for the best Topical exhibit.

George Lindhardt, exhibition chairman reports that there will be 100 frames containing stamps worth thousands of dollars. The following is a list of exhibition descriptions that will be seen by those attending the exhibition:

U. S. Commemoratives—blocks of four which have been issued in observance of, or to celebrate, an historical incident, prominent person or special occasion.

Finnish Semi-Postals—commemorative stamps issued with a surcharge to aid the Red Cross and Tuberculosis Societies of Finland.

Stamps of War-torn Laos and Cambodia in Indo-China.

Stamps of Korea owned by a noted philatelist of Chicago.

Entries will be judged and certificates and trophies will be given out at the annual banquet to be held at Club 18, 1816 Washington st., on Saturday night, May 15.

One of the features of the exhibition will be the program which is being dedicated to the Post Offices of Lake county. Each person attending the exhibition will be given a program.

Plan for Memorial Day

The American Legion already is making plans for Memorial Day which will be held on Monday, May 31. May 30 is the actual date, but because that date falls on Sunday, the following Monday is being observed as the holiday. The usual parade from the high school to the village square will be conducted, with various organizations of the community participating.

Deer Haven to Open May 30

Deer Haven, a children's animal playland will open in Fox Lake, rt. 59 and Grand ave., on May 30. The first of its kind to be established in this area, Deer Haven is a departure from the usual zoo-type exhibit in that such animals as deer, rabbits, lambs, chicks, peacocks, and guinea pigs will be there for children to feed, handle, and pet.

Attempt to Organize Stamp Collectors in Antioch into a Club

An attempt is being made to organize a club of stamp collectors in Antioch and vicinity.

Edward J. Flath, vice-president of the Lake County Philatelic society, who may be addressed at 22 N. County st. in Waukegan, in inviting Antioch collectors to the exhibit in that city this weekend, has offered to help organize a club here.

"A growing town like Antioch should have clubs not only for adults but for the children of the vicinity," wrote Flath to the Antioch News. "I shall be more than happy to place all of my efforts to organize a chapter."

In order to organize a chapter there must be five members of the American Topical Association in the vicinity. The main office of the American Topical Association is in Milwaukee, Wis., and dues are \$2 a year.

Collectors of this association collect stamps on the basis of some topic to which they are associated.

Tie Lore

HOW to tie a Windsor knot

It's easy to tie a Windsor knot. These sketches show you as you see yourself in a mirror.

Start with wide end of tie on your right side.

1. Have wide end extend well below narrow end. Cross wide end over narrow and up through neck loop.

2. Bring wide end down and behind narrow.

3. Turn wide end up.

4. Put through neck loop; bring down, pass over knot.

5. Turn up through neck loop again.

6. Pull down through knot and adjust. Voilà!

No matter what type of knot you prefer, you'll get a good one every time if you start with a well-made, quality tie. Just make this simple test when buying ties:

Flip back the folds, hold the loose dangling thread—try to push the fabric along the thread. If the fabric glides up and down, it's a slip stitched tie.

Be sure that your ties are slip stitched... they will look better, tie better, and keep their shape longer!

Antioch, Ill.

The Lake County Council Officer Training clinic for all officers of the Parent-Teacher Association will be held Thursday night, May 20, at 7:45 o'clock in the Warren Township High School in Gurnee. This clinic will be conducted as the School of Instruction which was held in previous years.

Mr. and Mrs. Norman Rockow and daughters were Sunday guests at the home of Mr. and Mrs. Mike Czapar.

Mrs. Awaik Rockow of Winslow, Ill., was the guest of relatives in Antioch and vicinity the past week.

Abreaction
In psychoanalysis, the removal of a complex or suppressed desire by talking it out is called an abreaction.

Circus Evangelist
Doc Wadell, circus evangelist, opens each performance with a religious service.

OFFICIAL 61 to 130 more miles per tankful with a Studebaker!

*That's what the '54 Champion got in the Mobilgas
Economy Run against competing low-priced cars!*

The Champion with Overdrive got
29.58 miles per gallon!

The '54 Studebaker Land Cruiser V-8
got highest gas mileage of any
Sweepstakes winner in history!

It beat all other eights in the Run
and all sixes except the
'54 Studebaker Champion!

Come in and look at the official
AAA score sheet of the Mobilgas
Run. The Studebaker
Champion got 61 to 130 more
miles per tankful than its four
competitors in the low-priced
field! Studebaker finished
first in the Grand Sweepstakes
—first in actual miles per gal-

lon—first of all overdrive cars
—first of all automatic drive
cars! Get Studebaker economy
yourself. Duplicates of Stude-
baker's Mobilgas Run winners
are available immediately at
surprisingly low cost. They're
the best engineered, best built,
best styled cars in America.

Eddie Fisher Picks Winners

Eddie Fisher has proven his ability to pick winners by coming up with one hit parade record after another. And in or out of uniform, Eddie is always working for Uncle Sam. For these reasons, he was persuaded to take time out from his highly rated NBC-TV show to select hundreds of bonus U.S. Savings Bond winners for America's biggest give-away of bonds. Helping the U.S. Treasury's biggest peacetime drive to urge everyone to save with United States Savings Bonds for peace and continued prosperity, \$100,000 in FREE bonus bonds are being given by Ideal Magazine. "Any bond owner," says Eddie Fisher, "can win a free bond. I have just selected winners of \$1,000, \$500 and \$100 bonds and hundreds of other winners of \$50 and \$25 bonds by picking Bond numbers. You bond buyers win! And these winning numbers in any current issue of TV Star Parade, Movie Life, Movie Stars Parade, Personal Romances and Intimate Romances. Anyone having the bond with the identical number I selected wins a free bond."

Food Sense—Not Nonsense

Need A Lantern?

No matter how you see it—vitamin A has eye appeal. It plays a role in keeping eyes and skin healthy. Lack of this vitamin produces night blindness.

The victim of night blindness is the motorist who in the twilight strains to see approaching traffic, or the theatre-goer who upon coming into the dimly lit movie from the bright foyer gropes blindly for his seat. This difficulty in seeing in dim light or adapting to darkness is the most clear-cut effect of the lack of vitamin A. Night blindness is a dietary disease. It can be cured by eating foods rich in this vitamin.

The role of this vitamin is also skin deep. Too little vitamin A may cause dryness, itching and scaliness of the skin over the entire body. Shortly after this vitamin was discovered, it was thought to have some effect on control of colds and respiratory infections. Research, however, has failed to show that fewer colds occur among persons receiving supplements of vitamin A than among those persons who eat a well-balanced diet.

For an A plus diet, eat plenty of liver, milk, eggs and green and yellow vegetables. Table fats contribute vitamin A, too. The generously buttered slice of enriched bread offers a tasty way in which to get important parts of an adequate diet—needed vitamin A from the fat, B vitamins, minerals and protein from the bread, and energy from both. Vitamin A, as such, does not occur in plants, but is present in the form of a brilliant yellow substance—carotene. Yes, this carotene paints the carrot orange, and carotene received its name from this vegetable. The body produces vitamin A from carotene. Vitamin A is a fat soluble vitamin and needs the help of a digestible fat for its absorption. Fish liver oils have long been known as rich sources of vitamin A. However, it is manufactured extensively in the laboratory today.

Brown Derby Restaurant Shares
Famous Black Bottom Pie Recipe

Black Bottom Pie as made by the Brown Derby restaurants in Hollywood and Beverly Hills is a favorite dessert with the movie stars. This rich chocolate chiffon pie can now be made at home for the film capital restaurant is revealing the know how.

Brown Derby Black Bottom Pie calls for a high and delicate chocolate filling topped with whipped cream. The airy texture is achieved by using unflavored gelatin in a rich chocolate and custard base. The filling though elaborate of looks can be prepared simply and quickly in one utensil, the double boiler.

Brown Derby Black Bottom Pie

| | |
|---------------------------------|---------------------------------|
| 1 envelope unflavored gelatine | 1 cup icy cold evaporated milk, |
| 1/2 cup sugar | whipped |
| 1/2 teaspoon salt | 1 teaspoon vanilla |
| 1 egg yolk, slightly beaten | 1 9-inch baked pie shell |
| 1/2 cup milk | 1 cup heavy cream, whipped and |
| 4 squares unsweetened chocolate | sweetened |

Mix gelatine, sugar and salt in top of double boiler. Combine egg yolk and milk and add to gelatine mixture. Add 3 squares of the chocolate. Cook over boiling water until chocolate is melted, stirring often. Remove from heat and beat with rotary beater until smooth. Chill until thickened. Fold in whipped evaporated milk and vanilla. Turn into pie shell and chill until firm. Spread with whipped cream. Shave remaining 1 square chocolate into curls with vegetable slicer; place "lattice" fashion on top of pie.

"Best Seller" for 3 good reasons

CAN YOU SEE • STEER • STOP SAFELY?
CHECK YOUR CAR—CHECK ACCIDENTS

Buick now outsells all other cars in its price class and above

YOU'VE probably noticed it right in your own neighborhood.

Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks.

Know what's happening?

Folks in growing numbers—(and maybe you'll be joining them soon!)—are finding Buick styling, performance and value far too wonderful to pass up.

So Buick is selling at a record pace—outselling all other cars in its price class and above.

Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, Buick is outselling every other car in America except two of the so-called "low-price three."

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success.

There's styling in Buick that's the greatest beauty advance in years—the very look of tomorrow—and with the spectacular panoramic windshield that's part and parcel of this dream-car look.

There's performance in Buick as never before—with record-high V8 power, with the

sensationally smooth whip of Twin-Turbine Dynaflo,* with the buoyant ride of all-coil-springing, with a new precision of control and handling.

And there's value in Buick that's hard to match—with prices starting near the "low-price three"—prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

How about you?

Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.

Antioch Village Treasurer's Report

STATE OF ILLINOIS OFFICE OF VILLAGE TREASURER
LAKE COUNTY ANTIOCH, ILLINOIS

The following is a statement, by Martha H. Hunter in the county and state aforesaid, of the amount of public funds received and disbursed by her during the fiscal year ending on the 30th day of April A. D. 1954, showing the amount of public funds received, and from what sources received; the amount of public funds expended, and for what purposes expended, during said fiscal year ending as aforesaid.

The said Martha H. Hunter, being duly sworn, doth depose and say, that the following statement by her subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount expended, the purposes for which expended, as set forth in said statement.

(signed) MARTHA H. HUNTER
Subscribed and sworn to before me this 4th day of May, 1954.

(Notary Public) Bernice Reiser, Notary Public

A Hydra-Matic GMC
pays you back
6 ways

SURE, GMC's Truck Hydra-Matic Drive costs extra on some light-duty models. But men—how it pays you back!

You save gasoline—because GMC Hydra-Matic cuts the high consumption of fuel in stop-go use.

You save tires—because GMC Hydra-Matic's velvet-smooth getaways prolong tire life—by as much as three times in some operations.

You save maintenance—because GMC Hydra-Matic ends clutch costs—prevents shock-loading damage.

You save time—because at every start,

GMC Hydra-Matic ends shifting lags, gets up to road speed quicker.

You save yourself—because GMC Hydra-Matic frees you of all clutching and shifting chores. And being fresher, more alert, you're quicker to avoid hazards that could be costly.

You save at trade-in time—because a Hydra-Matic GMC will rate a higher price than old-type hand-shifted trucks.

Are you a shrewd buyer? Then drop in at our showroom. We'll prove that a Hydra-Matic GMC is your best truck investment.

and don't forget

- all GMC light-duties give you more for your money to start with:
- a 125-h.p. engine—more power than in some 2½-ton trucks
- styling and engineering that make GMC the aristocrat of the field
- spacious luxury cabs

Get a modern truck!

HICKORY

Miss Lux, the teacher, and the school children gave a Mothers Day program at the school house on Thursday afternoon for the mothers. Each mother was presented with a gift made by her child.

Mr. and Mrs. Joy Sleek of Waukegan were Thursday evening callers at the Earle Crawford home.

The daughters and sons (except Howard of Joliet) of the Curtis Wells family were all home on Mothers Day Sunday.

Mr. and Mrs. William Hallada and two children of Port Washington, Wis., spent Sunday at the H. A. Tillotson home. Mrs. Tillotson went home with them for a week's visit.

Guy Simmons of Waukegan called on Clarence Crawford Thursday afternoon at the Earle Crawford home.

Oscar Finkel left on Sunday on a week's business trip to St. Louis.

Mr. and Mrs. Alvin Nelson of Jefferson Park, near Chicago, were Thursday supper guests at the home of their cousins, Mr. and Mrs. Gordon Wells.

Mr. and Mrs. William Richards and family were Sunday dinner guests at the home of Mr. and Mrs. Frank Farms at Bristol.

Little Christine King is recovering from the measles.

Dudley and Richard Sheehan were confirmed at St. Peter's church in Antioch Thursday evening.

The Hans Christensen and Thorwald Maureston families of Waukegan were Sunday afternoon and evening visitors at the N. C. Chris-

tensen home on Mothers Day. Mr. and Mrs. William Thompson and Miss Helen were Saturday afternoon callers at the George Handley home near Kenosha.

Fred Zoeller of Zion visited Clarence Crawford Sunday afternoon at the Earle Crawford home. Mr. and Mrs. Kenneth Lumley of Kenosha were Friday evening callers at the William Richards home. Miss Uldine Andersen of Grass Lake was a Sunday dinner guest at the Gordon Wells home.

Mrs. Chris Paulsen of White-water, Wis., visited her daughter, Mrs. Wilson King and family a few days of last week.

Mr. and Mrs. Alfred Dettmering and daughter, Judy, visited relatives in East Troy on Sunday.

THANK YOU

We wish to thank all those who helped to make our golden wedding celebration such a happy one. Sincere thanks for the beautiful flowers, cards and gifts, they are deeply appreciated.

MR. and MRS. WM. HANNEMAN

Card of Thanks

We would like to thank our many friends and relatives for flowers and the many acts of kindness rendered during the loss of our Dear Wife and Mother.

Sincerely,
Sheridan Burnette
and Family.

Card of Thanks

We wish to thank our many wonderful friends for their lovely gifts, their good wishes and their kind patronage at the Grand Opening of our new tavern.

Mr. and Mrs. Frank J. Kelly.

OUR DEMOCRACY—by Mat

DOING THEIR SCHOOL WORK

THIS IS THE TIME THAT SCHOOL BOYS AND GIRLS BEGIN TO WONDER WHETHER THEY'LL MAKE THE GRADE—AND BE PROMOTED. THOSE IN HIGH SCHOOL ARE HOPEFULLY SETTING THEIR PROGRAMS FOR NEXT YEAR, WITH THE HELP OF PARENTS AND TEACHERS.

AND SOME OF THEIR ELDERS, SERVING ON SCHOOL BOARDS, WHIP INTO FINAL SHAPE THE NEXT YEAR'S BUDGET—ALWAYS ANTICIPATING THE NEEDS OF THOSE THEY SERVE. STEWARDS OF OUR DEMOCRACY'S HUMAN RESOURCES, THEY ARE LIKE PARENTS WHO NOT ONLY LOOK AFTER THEIR FAMILIES BUT LOOK AHEAD FOR THEM.

MILLBURN

Regular services at Millburn Congregational church Sunday, May 16, will include Sunday School at 9:45 and church services at 11.

The Millburn chapter, O. E. S. is sponsoring a fried chicken dinner at the hall Sunday, May 16, serving from 12 o'clock until all are served.

Miss Anita Stahl, assistant Home Adviser will give a cooking demonstration at the meeting of the Millburn Maidens' 4-H club in Millburn church basement May 20 at 7:30.

Mrs. May Lucas celebrated her 70th birthday anniversary with a family gathering at her home at Crooked Lake. Guests for dinner and supper were Mr. and Mrs. Warren Edwards and family, Mr. and Mrs. Paul Alshouse and family and Mr. and Mrs. Robert Edwards and family, all of Antioch; Mr. and Mrs. Darnell Alshouse and son of Gurnee, Mr. and Mrs. Harold Pullen and family and Mr. and Mrs. Tony Wayne and daughters of Lake Villa.

Mrs. Florence Welch of Gurnee was a caller at the Charles Lucas home Monday.

Miss Vivien Bonner of La Grange spent several days at the Gordon Bonner home.

Miss Josie Mann was released from St. Theresa hospital Saturday and is spending a few days at the home of her brother, Harvey Mann, in Waukegan.

Mr. and Mrs. D. H. Minto, Misses Una Jean and Ruth Minto spent Saturday with their daughter, Mrs. H. M. Johanningmeier and family at Dixon, Ill.

Mr. and Mrs. Harry Shank and family were dinner guests at the home of their daughter, Mrs. Pesse Janus in Waukegan Sunday.

Mrs. Linda Goble and William Harris of Chicago were Sunday dinner guests of Mrs. Goble's daughter, Mrs. Kenneth Young and family.

Mr. and Mrs. Howard Bonner were dinner guests of Mr. and Mrs. Paul Murphy in Waukegan Sunday evening.

Mr. and Mrs. John Edwards and family and Miss Marian Edwards of Libertyville were Sunday supper guests at the Frank Edwards home.

Alvin Ringe and son Robert were seen on television Saturday evening on the Farm Home program when they showed some of the registered Jersey cows of Gardner Farm where Mr. Ringe is manager.

The Millburn Hornets 4-H club met at the school house Monday evening, May 10. Talks on their projects were given as follows: Ernest West, colt; Dennis West and Dorothy Chope, goats; and Alan Bromstad, chickens. Refreshments at the next meeting will be served by Billy Bonner and Harold Young.

Mrs. George Kennedy, Mrs. Walter Carter, Mrs. Alice Murro and Mrs. Jennie Thomas and grandson, Benjamin Ames of Waukegan were callers at the Kenimer home Thursday afternoon.

Mrs. Addie Lucas is spending a week at the home of her son, Charles Lucas.

Mr. and Mrs. Leslie Bonner were dinner guests at the home of their daughter, Mrs. Vernon Stahnke in Elgin Sunday.

Mrs. Myrtle Sagave was a Sunday dinner guest at the Thomas Mann home in Waukegan.

Dr. and Mrs. J. H. Bonner of Walworth, Wis. were supper guests at the Wm. Bonner home Sunday.

Mr. and Mrs. Ed Krause and family of Woodstock spent Wednesday evening at the Kenimer home.

Mr. and Mrs. Gordon Bonner spent Sunday afternoon with Mr. and Mrs. Robert Bonner at Kansasville, Wis.

Mrs. Frank Edwards attended a Mother-Daughter tea of the Pro-So Sorority at the home of Mrs. John Edwards in Libertyville Tuesday evening.

Eight ladies from Millburn attended the luncheon and program given by the W. S. C. S. at Antioch Methodist church Wednesday.

Mr. and Mrs. C. P. Weber and daughter, Sharon spent the weekend with their son Duane who is a student at the University of Southern Illinois at Carbondale. Saturday evening they attended a musical program, "Under the Stars," at the University stadium and Sunday they attended open house of the Sigma Pi fraternity.

Mr. and Mrs. Robert Hughes spent Sunday in Chicago with the latter's grandmother, Mrs. Mugford.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Mrs. Lela S. Wier
2805 Arbor Hills Drive
P. O. Box 2695
Jackson 7, Mississippi

LAKE VILLA

"Fortunate Families" was the sermon topic selected by the Rev. Plummer for the Mother's Day service at the Community church when twelve girls were also confirmed and received into membership. The altar flowers were gifts of Mr. and Mrs. Joseph Halek, Mr. and Mrs. Peter Hollock and Mr. and Mrs. John Romer.

The Woman's Society of Christian Service held its meeting at the church on Thursday, May 13 and much business was disposed of but it will be necessary to meet again on the regular meeting day of Wednesday, May 19, also at the church. The summer sale plans are coming up and there is much to be done.

Mrs. C. N. Dunbar, Mrs. Fred Troesch, Mrs. Bessie Boyer, Mrs. John Perry and Mrs. Kenneth Plummer started Tuesday morning for Holland, Mich., to see the display of tulips there. They made the trip by auto and returned Wednesday evening.

Mr. and Mrs. Charles Kelly were in Chicago last Friday to attend funeral services for a friend.

Mrs. M. Murray, who lives in southwestern Canada and who has been in Washington, D. C., for some time, was guest of Mr. and Mrs. Charles Kelly for a few days this week.

Miss Genevieve Daube and Mr. and Mrs. Edward Hogle of Waukegan visited their mother, Mrs. Martha Daube, on Mother's Day.

Mr. and Mrs. George Mitchell of Evanston spent the week end with Mrs. Mitchell's sister, Mrs. Helen Weber, at Sand Lake.

Mrs. Russell Wilson has been at North Chicago a great deal of the time recently with her daughter, Virginia, who is quite ill at the hospital.

Miss Joan Brown, daughter of Mr. and Mrs. Perry Brown, was united in marriage to Dr. Edwin Ruyak in an impressive ceremony at the First Congregational church in Chicago on Saturday, April 17 and one of the bridesmaids was Dr. Polling's daughter, Joanne. A reception, attended by 300 people was later held in the Oak Park Mills' house, 217 So. Home ave. The bride is very well known in this locality, as her parents have had a summer home at Crooked Lake Oaks for many years.

The Pinochle club held its regular meeting on Tuesday afternoon of last week with Mrs. Ethel Wood at her home at Allendale school. The ladies enjoyed pot luck dinner at one o'clock and played pinochle during the afternoon.

Mr. and Mrs. Howard Wilton who has been in Florida for several months have returned to Lake Villa

for the summer and were guests at the home of Mr. and Mrs. Oliver Wilton, Jr., at the Wilton farm south of the village for a few days until their home on Rte. 21 was ready. The home in which they formerly lived was purchased by Mr. Don Cullimore whose family lives there.

Mrs. Paul R. Avery, Sr., entertained Mrs. Lulu Nelson, Mrs. Mayme Kapple, Mrs. Lottie Boehm, Mrs. Marie Hamlin, Mrs. Cora Hamlin, also Mrs. Inga Swanson, now of Glenwood, Ark., a former member of the group, at a luncheon at her home on Cedar lake last Thursday afternoon.

Miss Marian Gallger visited her cousin, Mrs. Richard Cerk and family, in Waukegan a few days last week.

Mrs. Clara Troesch entertained a number of ladies at a stork shower last Friday evening at her home on Rte. 59 with Mrs. Ruth Sorenson as honored guest. Airplane bunco was part of the evening's entertainment and the guest of honor received many very pretty and useful gifts. Refreshments served at the close of the evening's festivities.

Mrs. William Walker and Mrs. Oliver Walker attended a stork shower last Friday evening at the George Walker home at Libertyville in honor of Mrs. Edward Walker. Friends and relatives were present from Lake Villa, Long Lake, Des Plaines and Libertyville. Mr. and Mrs. P. R. Avery, Sr., and their house guest a few days last week, Mrs. Inga Swanson of Glenwood, Ark., visited friends in Milwaukee last Friday.

Mr. and Mrs. Albert Kapple had their daughter, Mrs. Charles Rothers and family of Berkeley, Ill., at their home on Saturday and Sunday and also their son, Edwin Kapple and family of La Grange on Sunday.

Mr. and Mrs. James Williamson of Villa Woods subdivision visited Mrs. Williamson's mother in Waukegan on Sunday.

Mr. and Mrs. Neil Reidel and Cheryl spent Sunday with Mrs. Reidel's parents in Chicago.

The Mother's Day service at the Community Methodist church was the occasion for the confirmation of the following girls: Mary Kay Brown, Donna Marie Nickerson, Nancy Helma Cribb, Susan Marie Romer, Barbara Lynn Black, Georgiann Reimer, Joanne Marie Seckatz, Judith Ann Apostolou, Bonnie Lee Walker, Jo Ann Wilson, Linda Hollock, and Patsy Jo Halek.

Mrs. Kenneth Plummer will sing a group of numbers for the Northern District Methodist Minister's Wives Association at Barrington next Monday. Miss Carlene Ek Dahl will play a flute obligato for

one of the numbers.

Mrs. Edna W. James of Clarksburg, W. Va., will be the weekend guest of the Rev. and Mrs. Kenneth Plummer. Mrs. James is a former parishoner of the Plummer.

Tips on Traffic Safety

In city traffic, be especially careful when you are passing a bus which has pulled over to the right hand curb to allow passengers to get on or off. In most cities, the law does not require you to stop when the bus does, but passing it is, nevertheless, a potentially dangerous situation, and the danger can pop up very suddenly.

Pedestrians are not supposed to walk across the front of the bus while it is stopped and continue on across the street, but some of them

insist upon doing it. You can't see them until the last instant, and you will have to do something about it quickly.

Be prepared for that possibility every time you pass a bus under those circumstances. Always plan your actions, adjust your speed as if you knew a pedestrian would appear at the corner of the bus just as your car reached the same point.

Have your mind on the brake pedal, if you don't actually have your foot on it. Then, if some pedestrian does foolishly or thoughtlessly step out in front of you, you can avoid hitting him.

WHEN YOU KNOW YOUR BEER
...it's bound to be Bud

You don't have to fish around for the reason why Budweiser has pleased more people than any other beer in history. Its taste tells you that it is brewed by the costliest process on Earth.

OUR BANK WAS BUILT
ON SERVICE

... and we're not through "building" yet—won't be, as long as there is something we may do to make your banking connection with us more pleasant and more complete. Why not make our bank financial headquarters for all your money matters?

THE FIRST NATIONAL BANK

Antioch, Ill.

Don't forget to use our drive-up window, located on Lake street. A special 5-minute parking zone for customers of the drive-up window only, has been provided for your convenience.

"The Friendly Bank on the Corner"

Now being delivered!

YOUR NEW TELEPHONE DIRECTORY
with yellow
pages

The handy buying guide that saves you time, work and trouble!

And it's so easy to use! Just flip to the YELLOW PAGES to find anything you need for home, family or business!

These new 1954 YELLOW PAGES are jam-packed with the latest where-to-buy-it information. Products, dealers and services are logically classified by type and listed in alphabetical order.

So—when you receive your new telephone directory, give it a careful "once-over"—it's your ticket to easier buying! And remember—the "YELLOW PAGES habit" saves you time, steps and worry!

Use the YELLOW PAGES When You Want to Find:

1. Local dealers handling nationally advertised products or services.
2. Manufacturers when you buy in quantity.
3. Almost any product or service including those that are unusual or hard to find.
4. The address and telephone number when you know the company's name—or the name when you know only the address. Business or professional men with common names like Jones or Brown. You'll find them faster in the YELLOW PAGES where the lists are shorter.

Look in the Yellow Pages

The Classified Section of Your Telephone Directory

IT'S AMERICA'S
"BEST SELLER"

Because it's America's Best Buy

Ford has pioneered in bringing the most worth-while things to the most people... and more and more people are now buying Fords

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.

The reason is simple. More and more people have found in Ford everything they want and need.

If you're in the market for any new car, Test Drive a Ford and find out what a brilliant performer it is and you'll really understand why Ford is America's Best Seller and America's Best Buy.

In the first place: Ford offers the two most modern engines in the industry: a new 130-h.p. Y-block V-8 and 115-h.p. I-block Six.

As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension for handling and riding ease.

Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.

Ford is a completely modern car. The advanced fine-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.

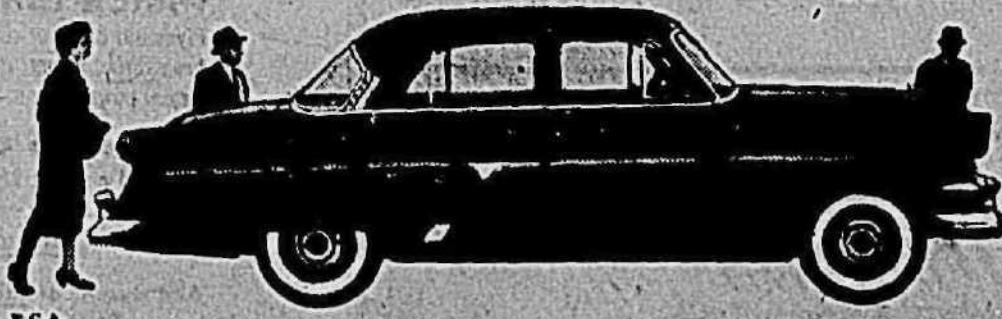

Why not accept our invitation to Test Drive a '54 Ford... and see why America's best seller is your best buy!

FORD'S OUT FRONT

National new car registration figures* for a seven-month period show Ford in the lead by thousands!

*Source: E. I. Park & Company, Registration for period September through March, the latest month for which figures are available.

P. T. A.

and to the refreshment committee and to all the others who in any way helped.

Card of Thanks

We wish to express our sincere thanks and appreciation to all our friends for the kindness and sympathy shown during our recent bereavement.

Mrs. Keith Dickson and Family.

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

Concern grows over how much further U. S. can sacrifice principles to smooth over world problems.

Attorney General Herbert Brownell grants immunity from anti-trust laws to five major U. S. oil companies permitting them to join British and Dutch oil to market Iran's oil production.

There are curious twists about this approval. This is same line-up that prompted government to C.W. Harder file cartel charges against the five U. S. oil firms involved. Inherited by Brownell the case is still pending.

It is charged that a conspiracy extorted exorbitant prices from U. S. Navy and also from Marshall Plan for Mediterranean oil given foreign nations.

Almost three years ago, Iran disagreed with Anglo-Iranian Company, dominated by British government, over royalties. England moved out of Iran.

In sharply worded announcement England warned world no one should attempt to deal in Iranian oil. It was later reported Royal Navy captured tanker or two carrying Iranian oil.

Independent American oil men were reported anxious to buy Iranian oil, but backed down because of British threat. Apparently U. S. State Department did nothing to guarantee freedom of commerce and the high seas.

But now Justice Department has agreed to permit Big U. S. Oil to join in a cartel to handle Iranian oil. Only it is not being officially called a cartel. It's © National Federation of Independent Business

now called a "consortium," Brownell says he will not permit consortium fix prices, or rig markets, although his department is presumably preparing to prosecute the same companies for doing just this with other Mediterranean Oil.

But this appears fairly certain.

Call it a consortium, or a cartel, it is unlikely vast Iranian Oil production will affect prevailing pegged petroleum prices. Independent operators might have upset these prices if given opportunity to sell Iranian oil.

In the meantime, many wonder why even any thought is given to lower tariffs.

The award for generators for government project in Washington was given an English firm with a bid of \$3,651,476, \$441,225 lower than low American bidder. In addition, consideration was given English company on the basis it would pay import duty of \$422,000 on the generators.

But losing U. S. company points out that between Federal, state and local taxes it would have paid on this order, government would have received \$1,159,000.

Therefore, even with lower British bid, and import duty added, as compared to taxes U. S. firm would have paid, U. S. suffered tax loss of \$35,775 on deal.

American labor also lost 1,000,000 hours of work at pay more than \$2 per hour. British labor building generators will receive less than one-third as much pay. Thus, on British scale of pay, American firm could have underbid British by \$658,773.

And as American unemployment climbs, it is hard to see how lower tariffs will supply more jobs to Americans.

A NEW NASH with LESS CASH

at
Nash Kenosha, Inc.

Because . . .

1. We are a Franchised Dealer
2. No transportation costs
3. Your trade in is worth more because we have no used car problem.
4. Our factory trained mechanics are ready to solve your service worries.
5. Our service, body and parts department have the facilities to handle any service problems.

Open Monday thru Friday
8:00 A. M. to 9:00 P. M.
Saturday to 6:00 P. M.—C.S.T.

For Sunday Appointment call 2-5906

Guaranteed To Give You Extra Miles Per Gallon

New **D-X** ETHYL with **UCL-plus**

Fill up now on new D-X Ethyl with UCL-plus, and keep score on your mileage. If this new D-X doesn't deliver extra miles per gallon—mileage you can actually measure—we will refund your money in full!

We dare make this guarantee because new D-X Ethyl with UCL-plus gives your engine extra upper-cylinder lubrication to overcome power-robbing friction, extra protection against fuel-wasting pre-ignition and spark plug fouling, extra antiknock to get extra "go" out of your engine. It's an entirely different gasoline, super-refined to a higher octane

by a new catalytic process and fortified with the all-inclusive gasoline additive, UCL-plus.

First tank, every tank, D-X adds up to better mileage because it makes your engine more efficient than you ever thought possible. It's that simple. So see your dealer now. Try D-X on our written, signed guarantee. You be the judge!—more miles or your money back!

Remember to ask your dealer for your free copy of "The D-X Mileage-Saver Book," the inside story on gasoline economy.

MID-CONTINENT PETROLEUM CORPORATION

Hundreds of gasolines...but only one D-X...the Lubricating Gasoline!

part-by-part proof...

Plymouth

is your "best buy" in the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

Front Wheel Brakes

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

Seat Springs

Plymouth uses coil seat springs, for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

Piston Rings

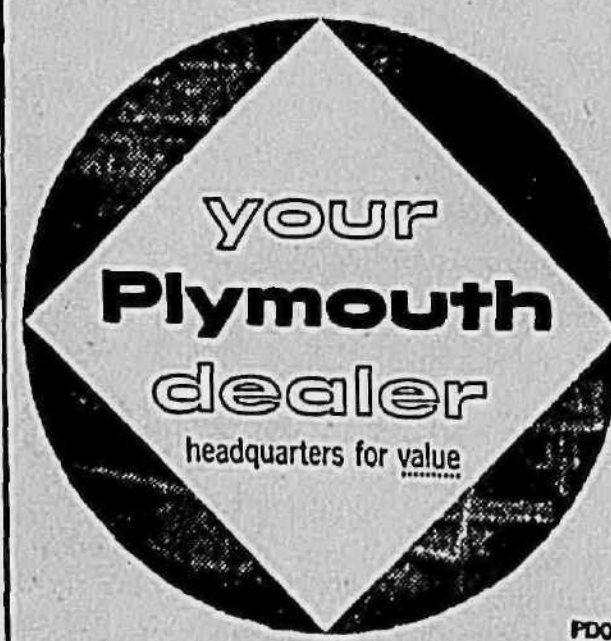

Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output. Increased oil economy, too!

Micronic Oil Filter

Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today...and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction...engine design...performance...economy...comfort...safety.
